To Sir William Tyrell.

Mr. Lucien Wolf left me this draft this morning. He informs me he is opening a bureau in Paris, where he proposes to organize Jewish & other opinion on behalf of his ideas of the solution of Jewish problems in Eastern Europe.

He tells me that under the Ukrainian constitution the Jews have acquired local national autonomy in a form which he hopes will be extended to Roumania, Poland, & Czechoslovakia. This clause in the Ukrainian constitution will according to him be a useful model for dealing with "national" minorities of all kinds in Eastern Europe. He himself is strongly in favour of these "national rights" for Jews in Poland etc. I think the League of Nations section may be interested in these
